

And so we know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in him. —**1 John 4:16**

No one can come face-to-face with what God is like and ever be the same. Seeing the truth about His personality touches the depths of our emotions, which leads us to spiritual wholeness and maturity.

{ PRAYER STARTER }

Lord, there is nothing I want more than to experience a growing, ever more intimate relationship with You. Let me see You as You are so that I may be transformed in my own life and walk with You. Amen.

**Beholding the glory of who He is and
what He has done renews our minds,
strengthens us, and transforms us.**
